- For teens entering 7 – 12<sup>th</sup> grades in 2021-2022 school year.
- The advanced camp follows the same format as the 2021 Teen Leadership Camp:
  - Week-long, virtual camp held online using the Zoom web conferencing platform
  - Live sessions run four hours each day Monday through Thursday and three hours on Friday; self-paced work takes approximately three hours each day
  - Interactive, live sessions include lessons from leadership experts, interviews with current teen leaders, group challenges and discussions, team planning, project development, etc.
  - Self-paced sessions include watching short videos, developing plans, self-reflection/journaling, individual project or portfolio work, etc.
- The Advanced camp also offers:
  - An emphasis on individual leader's growth, with more one-on-one time with our leadership coaches and mentors
  - Detailed planning and goal setting for every camper Project development focusing on topics such as volunteering, running for class office, setting a career path, etc.
  - The development of a leadership portfolio that highlights successes for each camper and his or her growth as a leader over the next several years.
